

Horse Evo Rubric					
Presents all the physical changes in the evolution of the horse.	5	4	3	2	1
	In Depth in all evolutionary stages.	Most aspects in all evolutionary stages	Most aspects in most evolutionary stages.	Some aspects in most evolutionary stages	Missing many evolutionary stages.
Presents all the external reasons for horse evolution	5	4	3	2	1
	In Depth in all evolutionary stages.	Most aspects in all evolutionary stages	Most aspects in most evolutionary stages.	Some aspects in most evolutionary stages	Missing many evolutionary stages.
Modern Horse Species	5	4	3	2	1
	In Depth understanding of all species.	Most aspects in understanding of all species.	Most aspects understood of most species	Some aspects understood in most species.	Missing an understanding of many of the species.
Structure, format and presentation is accurate.	5	4	3	2	1
	Structure is clear, times are accurate and presentation is neat.	Structure is mostly clear, times are mostly accurate and the presentation is neat.	Structure is somewhat clear, times are mostly accurate and presentation is mostly neat.	Structure is not so clear, times are somewhat accurate and presentation is somewhat neat.	Structure is poor, times are not clear and presentation is poor.
